International Conference on

„Artificial Intelligence and E-Leadership“

## INVITATION TO PARTICIPATE IN INTERNATIONAL SCIENTIFIC CONFERENCE ON **ARTIFICIAL INTELLIGENCE AND E-LEADERSHIP** 15th -16th October 2020, Plovdiv, Bulgaria

### Purpose:

Artificial Intelligence and E-Leadership are increasingly becoming the language of innovation and intelligent technologies in the modern industrial society. The sponsor Plovdiv Tech Park (<http://optela.com/>) aims to bring together specialists, scientists, professors and PhD students. Everybody will learn more about the development of artificial intelligence and the principles of e-leadership. Participants can submit reports, exchange contacts and take part in the discussions.

We invite scientists and researchers from different scientific fields to present and discuss their new ideas, research results, applications and experience in all aspects of modern methodologies and intelligent tools.

Despite the fact that we are in a situation of COVID-19, we hope The International Scientific Conference for Artificial Intelligence and E-Leadership "AIEL 2020" will provide a virtual opportunity to discover new friends and ideas. Thus the conference will turn into

a place for meetings and discussions with scientists from different fields, inspired by the general ideas of knowledge and creativity.
